FOREWORD

Combined, through the efforts of the Senior Class, are the highlights and sacred memories of our four years at Trinity High School. These years have been spent studying, playing, and laughing, with classmates and teachers as one big, happy family. We would like to express our deepest gratitude to each one who has had a part in the publishing of *The Trinhian*. As you read these pages, we hope that you will share all of its memories that are stored within. Our love and loyalty for Trinity High School is great and it shall have a place in our hearts through the years to come.

To one who has proved his faithfulness to the school and students, who is so close to us we think of him as a friend rather than a principal, except officially. We, the Senior Class, dedicate the Trinhian to Mr. L. H. Koon as a symbol of our appreciation and love to him.

Home Coming Queen — 1948-49

Class History

August, 1945. Remember? Maybe to most people that date is insignificant, but to 80 girls and boys of Trinity, it meant the beginning of new life—a wonderful, exciting life; for this was our Freshman year. We entered high school with a feeling of awe, adventure, and curiosity; but soon we knew what was expected of us and settled down at last. The girls entered Miss Crouse's home room and the boys that of Mrs. Ivey who resigned after the first semester, and Mrs. Riddenhour came to take her place. THS had a May Day celebration, and Nancy Lambeth, Linda Cook, Kathleen Wade, and Martha Smith represented our class as attendants to the May Queen.

Our Freshman Year was very exciting, but just as exciting, if not more so, was our Sophomore year. We weren't the "babies" anymore, and we, too, were amused at the blunders of the Freshman, bringing to mind our own experiences of the past year. Our home rooms were those of Miss Freeland and Miss Laura Davis. Officers for the year were Roy Frazier, president; Jackie Shropshire, vice president; Jewel Ward, secretary; and Rueche Sexton (now Mrs. Herndon), treasurer; in Miss Freeland's room. In Miss Davis' room the officers were as follows: Bobby Lawrence, president; Bill Price, vice-president; Martha Smith, secretary; and Eva Hill, treasurer. Miss Freeland entertained her class with a Valentine Party at the Home Ec. building on Friday, February 14th. Perhaps the biggest event was the ordering of class rings, an event which thrilled each and every one of us.

Whoopee! Juniors! A dream realized at last. Miss Cress was our home room teacher, and officers were Bobby Lawrence, R. S. Davis, Jackie Shropshire, and Eva Hill president, vice-president, secretary and treasurer, respectively. We had a year full of excitement, starting off with the arrival of our class rings in October. Everyone was thrilled to death and declared they were "the most beautiful rings ever." They are very pretty, and something to be mighty proud of. During the first of December twelve of our classmates were initiated into the Beta Club, and six of these went to the Beta Convention at Raleigh on Easter week-end. Miss Cress entertained us with a Christmas party at the Home Ec. building. Jewel Ward did a wonderful job of keeping up with all the worries when we sold magazines to help add to our treasury. Also adding to our treasury was the school store which we operated this year, and also last year; we are very grateful to Nancy Lambeth and Martha Smith for serving as clerks. That "something to talk about" came on April 9th when we entertained the Seniors and Faculty at the annual Junior-Senior Banquet at the Woman's Club in Thomasville; the theme being "Moonlight and Roses." On Friday, May 21, a few days before commencement, we presented a play, "My Heart's In High," a three-act comedy, under the direction of Miss Elsie Cress, in the school auditorium. We closed our year looking forward to becoming "Dignified" seniors.

On September 16, 1949, a delayed opening due to the Polio Epidemic, we entered the home room of Mrs. Gurney Peace. It took a while to get us settled, as we were so excited at the thought of being seniors. We got off to a busy start, however, by selling flavoring and stationery. As usual, we formed contests, and the flavoring contest was won by Jewel Ward, Bobby Comer, and Peggy Ann Hall with first, second, and third prize, respectively. Thanks go to Peggy Ann, too, in the Stationery Contest for selling sixty-six boxes to come out the winner. On December 13, '48, we had the first basketball game in the new gym, and all of us were going around swelled with pride to know that at last Trinity High had a gym, and we're so glad we get to play in one season before we join the "Alumni"! Mrs. Peace entertained us with a Christmas party at the Home Ec. building, and we are certainly grateful to her for it, for we all thoroughly enjoyed it and had a wonderful time.

Our class colors are green and white; our flower, the red rose, and our motto: "We have crossed the bay; the ocean lies before us." The mascots chosen this year were Patsy Hill and Kenneth Orr. We are looking forward to a happy, successful life as we go into the world, away from the protecting arms of our beloved Alma Mater—a place dear to all our hearts.

Juanita Hamilton, *Historian.*

Last Will and Testament

Once again the Trinity Seniors stand at the forks of a wide, wide road;
And we pause here in brief, in spite of our grief, to leave just a bit of our load.
We have struggled a bit, and studied a bit—at least I suppose we tried.
And as we will our best to our Junior classmates, the tears will be hard to hide.
To our beloved Mr. Koon we will our best because he helped us so much you see,
And we hope he will continue to strive to improve the school of Trinity.
Our heart beats cease when we think of Mrs. Peace who has done Oh, so many things,
But our hearts overflow, when deep inside we know of the success she has helped to bring.
So with grateful hearts we sincerely will the best of luck and joy we know,
And we wish her the best of happiness wherever she may go.

Commercial Department

Our Commercial department at Trinity is new this year. We have fifteen new typewriters and a new adding machine. Three typing classes are held, offering typing for seniors only. We are also offering shorthand and business arithmetic.

Commercial study is new to all our students, but they are very much interested in this work, and are progressing nicely. By another year we hope that our department will be better equipped and large enough to offer these and other subjects to underclassmen.

Parent-Teachers Association

The Parent-Teacher Association of Trinity School was organized in the year 1927 under the sponsorship of Mrs. A. B. Coletrane. It has been active since that time with an increase in membership and activities from year to year.

Mrs. Coletrane has made herself indispensable as a leader in this organization. She served as the first president and has served a little less than six years in that capacity during the 21 years of its growth. It was under her leadership that our P.-T. A. sponsored our first school cafeteria as well as many other outstanding activities.

Many other capable leaders have contributed much to the success of the organization

Our most outstanding activities of recent years have been the sponsorship of Spring and Fall Festivals in the school. All parents, teachers and pupils co-operated in these activities and made possible large contributions to our cafeteria and gymnasium.

The monthly programs contribute to both the educational and social interest of the parents and teachers and are well attended.

Today our membership is nearing four hundred. Officers serving are shown in picture left to right:

Seated: Miss Virginia Redding, Treasurer; Mrs. Charles Morgan, Vice-President; Mrs. W. N. Hughes, President; Mrs. John Payne, Secretary. Standing: Mrs. Hugh Phillips, Membership Chairman; Mrs. R. M. Welborn, Jr., Finance Chairman; Miss Doris Crouse, Hospitality Chairman; Mrs. Trela Hendrix, Grade Representative Chairman.

Beta Club

Purpose of the Club

The purpose of the club is the promotion of the ideals of honesty, service, and leadership among high school students.

Club Aetivities

The Beta Club is a very active organization at Trinity.

Miss Valeria Mendenhall has been chosen as the club sponsor this year. She, a former Beta Clubber, is proving herself a very helpful and efficient leader.

One night each month the club meets at the house of one of the members. These night meetings consist of a business session and a social hour. The club also has a day meeting on the second Thursday of each month. The club has taken two chief projects which are:

(1) Care of the library—The club members check books in and out and place them on the shelves.

(2) The school paper, "The Bulldog Flash". The paper staff is made up of club members with David Auman as editor-in-chief.

The Beta Club convention which is being held at the Sir Walter Raleigh Hotel in Raleigh is another very outstanding event.

Harvest Festival

Our Annual "Harvest Festival," which occurred on the 18th of November, was the most successful ever to be held here at Trinity, with a total profit of about $3,800.00, $2,700.00 of this coming from the King and Queen Contest. A delicious, delectable chicken supper was served to 275 persons before the "main attractions," and an auction sale of various items was held after the interesting program and the crowning of the Kings and Queens.

1. Winners of the King and Queen Contest:
   Primary Grades: Sherry Brotherton and Phil Fulp.
   Grammar Grades: Amanda Sue Auman and Don Royals.
   High School: Margaret Coltrane and Harold Farlow.
2. Mr. Payne's Glee Club.
3-4. A group enjoying the delicious chicken supper in the cafeteria—one of the latest additions to our school.
5. The scream of the whole program—Anne Newton and R. S. Davis' wonderful presentation of "Nature Boy."

Football Team

Our football team closed the season with a fairly successful average. We had six wins and two losses. Although we could not quite stand the pressure of the Jamestown Flying Tigers we came back with a 35-6 win over our Allen Jay opponents. Now, we are losing six of our first string players, but we are hoping that next year's boys come back with a winning team.

Our Appreciation For The Gymnasium

After many years of anxious working and waiting, we finally have our gymnasium near completion. To us, it is one of the most valuable buildings on the campus. We are sincerely proud to have such a convenient home court in which to practice and hold our many interesting games. As many of the people in and around Trinity know, we have been collecting money for this gymnasium over four years, and we have just begun to realize where our money has gone.

Many of our boys and girls who worked so hard to help get this money are never going to be able to use the gym, but we want to thank them, as well as the people who gave, from the bottom of our hearts. May this place of recreation some day make your children as happy as it has made us.

The senior class has taken great pride in our gym and has bought an electric score clock so there would be no argument of the question of who is winning the game or how much time there is left.

At the bottom of this page, we have for you just a glimpse of our opening night. It was a full house. Everyone enjoyed the games and were pleased to be in our new gym for the first time.

Girls Basketball Team

The Trinity Bulldogs girls team of 1947-48 had shown quite a lot of improvement with the record of winning 21, losing 4, and tying 2 games. They also won two major tournaments and came fairly close in two more during the season. Don't you think they need a hand on this?
